This week

This week in nursery we looked at a new story 'Goldilocks and the Three Bears'. The children are very excited about our new topic and have enjoyed learning our Goldilocks song! The children had some fantastic ideas about how Goldilocks should have behaved in the story and what she could have done to make it right, for example she should have asked before entering the house and she should have said sorry for breaking the chair, maybe that way they could all be friends. We also learnt that there are different types of bears.

In Maths we have looked at the language of size; big, medium and small. We asked the children who has the biggest bowl of porridge and they grouped the items in size order.

In phonics we have recapped the sounds we have already learnt SATPINCKEHRMDGOUFBJZWV. Our new sound this week was 'Y' – we have looked at items that begin with the sound 'Y' – can you find any of these in your home? We found yellow, yo-yo, yoghurt and yarn.

Specialists
Music

We have looked at a variety of different instruments, some for the first time including maracas, claves, triangles, bongos, djembe, xylophones, metallophones, rain-sticks and egg shakers. We have been guided on how to play them and then spent time in learning how to use them. We reacted to visual stimulus that told us to play either soft or loud, and fast or slow. It was so noisy and so much fun!

Arabic

PE

The children have been playing a 'Pirates' game which involves avoiding capture whilst taking pirate treasure. The aim is that the children start to think about where they are running and to use space to run in to. We gradually introduced more 'catchers' and this forms the basis of a very simple invasion game. The children have greatly improved their ability to follow simple rules and have enjoyed the game!

Swimming

This week the children have continued to work on kicking their legs with a noodle or performing a float and flutter kick independently. The majority are now confident to move around the pool using a noodle to keep their feet off the ground and now they need to work to place their face in the water at the same time.

Please be aware that for health and safety purposes, **ALL students are required to wear a swimming hat for their lessons.** Thank you for your co-operation and ongoing support with this and in ensuring that your child is becoming independent at getting changed.

Star of the Week

Mr Starfish went home with Maggie this week. She has really grown in confidence and is trying her best to speak English to her friends. Well done Maggie!!

In the Lobster class, Lobby went home with Abhimanyu. He has worked very hard this week and is able to write his name independently. Fantastic work Abhimanyu! He listens well to his teachers and his confidence is really starting to develop. A fantastic week Abhimanyu! Well done 😊

In Butterflyfish this week Bill went home with Harrison, This is because he had an excellent week in school! He tried really hard to overcome his fears and had lots of fun joining in with his friends! Excellent Harry keep up the good work 😊

The week ahead

Next week we will continue looking at Goldilocks and the 3 bears! We have lots planned for this story – we will be making our own porridge to taste and visiting a crime scene at the 3 Bears house!

In maths we will be looking at repeated patterns and recapping language of size.

In phonics we will be introducing the 'x' sound and playing some sound games with the parachute.

Reminders

Children should wear their swimming suits to school on the day that they have swimming lessons (under their school clothes). PE clothes should be worn on PE days.

Please ensure that all your child's belongings are labelled with their name.

As the weather is getting warmer children **must** wear a hat when playing outside. If children do not have a hat then they won't be able to play outside, they must remain in the shade. Please make sure all children come to school with a hat!

Library books should be kept at home for 1 week and returned to school the day (or day before) their library session. If the children do not have a **school book bag** they will not be able to bring a book home. This is due to some books being lost or damaged.

Please ensure that children have cutlery for their lunch and have a healthy snack for school. We are a healthy school and chocolate and Nutella is **not** allowed. Please make sure that your child has a fork and a spoon for their lunchboxes.

All children in Nursery **need** to have **spare clothes** in school. Please ensure that you send in a spare set of clothes in a bag with your child's name written on clearly.

When you are emailing to say your child will be absent from school, please make sure you email the **class teacher** and the **FS reception** giving the child's full name and class. Please email reception on fsreception@amityabudhabi.ae
