

Diary Dates

Date	Event	Information
6 th June	Possible Start of Ramadan (TBC)	Shortened school hours – More information to follow
30 th June	End of term 3	

This week

This week the children have completed their English, maths and spelling tests and have super impressed the adults with their skills and concentration! They have all tried their best and have worked so very hard. We are delighted with the children's enthusiasm to show the progress that they have made since the start of the year-fantastic!

In science we started our new topic, "Animals, including humans". We learned about the 7 nutrients that we need to keep us healthy and why and which types of food provide them! We discussed the food groups and how much of each food group we should be eating daily to keep healthy.

Specialists
Music

We have finished all the sections of our Olympic song, now we just have to keep practicing it to make sure it sounds as good as can be! We started to learn about tempo and the related Italian musical terms. We found out about the crotchet rest and have been doing activities to develop our musical memory. We have been working on the skill of co-operation to facilitate our group work.

Arabic Non-Native

This week the children have translated sentences about 'Let's play in the Park' into English. They have also answered comprehension exercises.

Islamic Non-Native

This week the children have learned to thank Allah for the good things.

PE

Grade 2 have started learning how to play Volleyball. In order to develop their understanding to the game they have been practicing the basic skills of the game and learning to set the ball and control passing it to their partners. Next week we will continue learning how to serve the ball and play a modified game to help the children understand the game rules.

Swimming

In swimming we continued working on refining the front crawl and back crawl strokes and we have also worked on improving better coordination in breast stroke. Children show increasing progress due to their hard work and concentration.

PLEASE NOTE: Children who have a sports club after school must bring their PE kit to school on that day.

Star of the Week

This week, Oliver is our star of the week! He has shone throughout the assessment week as he has amazed Miss Morwenna and Miss Natalie with the progress that he has achieved in his learning, since January! Oliver challenges himself to achieve the best that he can during lessons and works super hard- fantastic! Keep up the great work! 😊

Reminders

Just to remind you that if your child has a sailing club then they need to wear their uniform to school and bring their sailing clothes with them. The sailing club finishes at 4pm and the children need to be collected by an adult from the shoreline.

Have a lovely weekend.
Miss Morwenna and Miss Natalie
