Thursday 23 rd March	End of Term 2	Term 3 starts Sunday 9 th April

This week

In **English**, we have been continuing our learning based around 'The Magic Paintbrush'. We have written recounts of the story in our own words using adjectives, connectives and exclamation marks. We have had a fantastic book week; we went on a scavenger hunt in the library to look for different types of books and we listened to stories in other languages from our fantastic mystery readers - thank you! The adults and the children loved it all.

In **Maths**, we have continued to look at addition with a focus on doubles, then using near doubles to solve problems. We have been pattern spotting and have found that doubles are even numbers and that you can count in 2s. We have also begun to look at halving, using practical equipment to answer questions.

Specialists

Music

In music we continued to work hard on playing the recorder – practising using our fingers to make a 'C' then a 'G'. It is quite tricky to master! We also practised playing the glockenspiel and staying in time with the music.

Science

In science, we have been discussing different seasons. We can explain what the different seasons look like and what you might wear.

Arabic – Non-Native

This week we learnt and practised to write the letter (م) meem. We learnt words starting with the letter (م) meem e.g. (مدرسة) madrasa

Arabic – Native

- التدريب على كتابة حرف الصاد مع المدود المختلفة والتمهيد لحرف الميم (م) والتعرف على الكلمات التي تبدأ بحرف الميم (موز - مدرسة).

Islamic Non-Native

This week: 10 names of Allah (swt)

Next week: Islamic poem

Islamic Native

سنتعلم معاً صيغة الأذان وما يسن قوله بعد الانتهاء من الأذان.

PE

This week we continued our Orienteering unit. Students remembered that orienteering involves reading a map and that map is a picture representing something bigger. Working with a partner, children read their own maps and then found the locations in our Sports Hall. To prove they knew they had arrived in the correct place, they had to use the right sticker to complete their personal map.

Swimming

This week we emphasized increasing the children's ability to "hold their breath" under the water. We used lane lines to measure distances and challenge the students. We also worked on listening skills, and seeing if students could follow directions as to whether to swim under or over the lines. Children were then encouraged to use their skills to find objects in the water.

Computing

With all the amazing success we have had sharing our learning in Draw and Tell, we tackled another app. This week we used Chatterpix to talk about what we had learnt in Maths. Not only did we have to remember what to say but we also had to take our own photos and morph our mouths, so they would move then record our learning.

Star of the Week

<i>Rainbow Fish Class</i>	Hanna	For making excellent progress in her writing.
<i>Angel Fish Class</i>	Esteban	For writing great sentences independently this week.
<i>Clownfish Class</i>	Qisya	For outstanding behaviour and for being so attentive in all lessons.
<i>Sword Fish Class</i>	Alyssa	For being a great listener and always paying attention. She always knows exactly what to do and where to be.
<i>Bubble Eye Fish Class</i>	Abdullah	For growing in confidence! Abdullah is trying really hard in all his subjects, especially reading.
<i>Lion Fish Class</i>	Alreem	For being a good role model and trying hard in her writing.

Reminders

**DON'T
FORGET**

Friends of Amity Beach Clean-Up on Saturday 11th March from 9am

Many thanks for your support and wishing you a happy weekend,

The KG2 team ☺

Team leader	Miss Tammy	Rainbow Fish	Tammy.m@amityabudhabi.ae
	Miss Emma	Clownfish	Emma.c@amityabudhabi.ae
	Miss Retha	Angelfish	Retha.b@amityabudhabi.ae
	Miss Carolyn	Swordfish	Carolyn.r@amityabudhabi.ae
	Miss Elli	Bubble Eye Fish	Eleanor.l@amityabudhabi.ae
	Miss Abi	Lionfish	Abigail.w@amityabudhabi.ae
