30 th June	End of term 3	

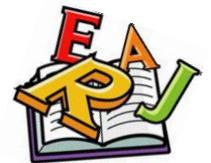

This week

This week the children have extended their learning of measure. We recapped the units of measure for length, capacity and weight and even completed a measure quiz! We then solved some challenging word problems which were linked to our new learning.

In English, we have been learning how to write poems! We read some examples of poetry together and discussed the features used. The children then wrote their own fantastic poems about theatres, using similes. We even learnt about personification and wrote some of our examples- super!

This week, we have learned about the different bones in our bodies and have named them using the common and scientific names. We looked at an example of our skeleton, identified the bones and then named them.

Specialists

Music

We went to the auditorium this week to practice and record our Olympic song, so that we can send it to be mixed into the final edit in the USA! It is sung in a 3 part harmony and that's the first time we have done that, so it was challenging to concentrate on our own parts, but it sounded great so was definitely worth the effort!

Arabic

This week the children have started a new topic, 'In the Village'. They have learnt new vocabulary and translated some sentences into English.

Islamic Studies

This week the children have learnt about Masjid around the world.

PE

This week in Grade 2 the children have continued to learn more gymnastics skills and develop their floor exercises and vaulting skills. They have learnt how to perform a basic hand stand and jumping over the vault using the spring board. Well done Grade 2!

Star of the Week

This week, Margarida is our star of the week! Margarida always displays exemplary behaviour and is a role model to other children. She always tries her best and challenges herself with her learning- fantastic! It is also lovely to hear so many adults praise her polite and caring manner. Keep up the hard work! 😊

Reminders

**DON'T
FORGET**

If you are leaving school before Thursday 30th June then please inform your class teacher and fill out a 'request to leave' form from Reception. ADEC have confirmed that children can have authorised absence for the last week of term.

Have a lovely weekend.
Miss Morwenna and Miss Natalie
