This week

This week in nursery we have been finishing off our 'Once in a fairytale' theme. We have finished looking at Aladdin, Goldilocks and some of the children even read stories about superheroes.

In Maths we have been looking at counting to 20, ordering numbers, identifying shapes in the environment, creating patterns and comparing different sizes.

In phonics we have recapped the sounds we have already learnt SATPINCKEHRMDGOUFBZVY. Our new sound this week was 'Y' – we have looked at items that begin with the sound 'X' – can you find any of these in your home? We identified words that have the 'X' sound such as fox and box.

PE

The children have been recapping their throwing and catching skills, using a variety of soft and bouncy balls. They have practiced throwing to themselves, to a partner and also bouncing the ball on the ground and catching the rebound whilst moving. Oh it's been fun!

Swimming

This week the children have had the opportunity to use the swimming pool to play with their friends and to practice swimming down to the bottom of the pool. They have understood that the most important reason why we learn to swim is for their personal safety, but also that it is great fun too!

Star of the Week

Aalya is the star of the week this week! She has become so much more confident and is speaking to all her friends in English. Aalya can write her name and is trying really hard in all her work. Well done Aalya!

In the Lobster class, Lobby went home with Sophia. She always shows exemplary behaviour in school. She is kind and helpful to her friends and uses superb manners. Sophia has an excellent attitude towards her learning in school. Well done Sophia ☺

This week Bill went home with Yahya this is because he has been working really hard with listening to his teachers and follow the rules of the classroom! He has been doing some beautiful sitting at carpet time!
Well done Yahya :)

The week ahead

Next week we will be completing transition activities in preparation to the move to KG1. We will be exploring the play equipment outside so please bring a hat to school. We will be completing self-portraits to hang up in our new classroom.

In maths we will be counting and writing our numbers. We will play some hiding games to reinforce our learning this term.

In phonics we will recapping all of our sounds to see how many we can remember.

Reminders

As the weather is getting warmer children **must** wear a hat when playing outside. If children do not have a hat then they won't be able to play outside, they must remain in the shade. Please make sure all children come to school with a hat!
