This week

At the start of the year, the teachers need to know the children's previous learning and identify the areas of learning we need to focus on throughout the year. This week the children have been busy completing their English, maths and spelling tests and have super impressed the adults by trying their best! We are delighted with the children's enthusiasm to show us what they're confident with- well done! 😊

In science we have started our new topic, 'Earth and Space'. The children discussed what they already know about earth and space, such as: 'the sun is a star' and 'the earth is spherical' and then thought of brilliant questions about what they'd like to find out!

السادة أولياء الأمور الكرام

تحية طيبة وبعد؛

أود أن أهنئكم بحلول العام الدراسي الجديد أمله من الله عز وجل أن نحقق أفضل النتائج المرجوة في مادة اللغة العربية لهذا العام .

- لقد تم الإنتهاء من تقديم الامتحان التشخيصي ، والذي من شأنه يتم الوقوف على مستوى الطلاب وتحديد خطة لمساعدتهم حسب نوع الضعف في مهارات اللغة المختلفة.

- خلال هذا الأسبوع سيتم عمل اختبار قراءة للوقوف على مستوى الطلاب القرائي .

- أيضاً سيتم مراجعة المهارات الأساسية للغة العربية خلال هذا الأسبوع لحين وصول كتب اللغة العربية ، ومن ثم سيتم الشروع في دروس اللغة العربية المقررة لهذا العام .

ولسيادتكم جزيل الشكر

هذا الأسبوع أجرينا معاً الاختبار التشخيصي (تحديد المستوى) وتم مراجعة ما درسناه سابقاً في مادة التربية الإسلامية.

PE

This week the students recapped their existing skills and knowledge of Basketball. They performed a range of passes and shooting techniques and worked as a member of a team to play a conditioned game. The students will continue with Basketball as the main focus of lessons for the next 5 weeks.

Swimming

This week the children demonstrated their abilities to us in Swimming. They performed some water confidence skills, push and glides and then had the opportunity to show us each individual stroke across the length of the pool. Please remember to provide your son / daughter with a swimming hat as, after the Eid break, we will be implementing a 'no hat, no swim' policy.

PLEASE NOTE:

Children who have a sports club after school must bring their PE kit to school on that day.

Star of the Week

We are so proud of Grade 4M this week as they have settled brilliantly into class and have impressed us with their enthusiasm and hard work during the first two weeks of term! Keep up the good work! 😊

Star of the Week in Oyster class is **Alesha** for writing an amazing narrative which included impressive vocabulary and exciting openers! Alesha has also consistently displayed exemplary behaviour and has been a role model to others. Well done Alesha! 😊

All of Grade 4J have been excellent role models this week. They have settling into class very well and have set great examples for younger grades.

The star of the week for Pearls class this week goes to a girl who takes great pride in her work. She wrote a wonderfully creative story with brilliant use of adjectives. She is also a real team player and willing to help others whenever she can. This week's star of the week goes to **Kheesa**. Well done Kheesa! 😊

DON'T
FORGET

Reminders We have received official notification from ADEC that school will be closed from Sunday September 11th - Thursday September 15th due to the Eid Aldha holiday. Classes will resume on Sunday September 18th 2016.

Just a reminder- all children need to bring a book bag or folder to their library session to protect their books and to carry their reading books. ☺

Please sign up to Class Dojo, if you haven't already, to receive updates and photos of what the children have been up to in class.
