19 th June	Special Assembly	Starts at 8:30 (parents are welcome to attend)
30 th June	End of term 3	

This week

Ramadan Kareem to those of you who are celebrating Ramadan. Can you believe that we are in our final month of the school year?! This month's value is Love and Care. We have spoken in class about how to show love and care to those around us and how it can make them feel.

In Maths, we have been consolidating some of the important skills that we have learnt over the course of the year. We have been practicing our number bonds to 20 and 100. We have also been practicing using our 2, 5 and 10 times tables and we are continuing to learn our 3 times tables.

In English, we finished writing our own version of the Billy Goat's Gruff story. We have then recapped upon the story of Hansel and Gretel. We have created storyboards of the fairytale and we have acted the story out in class.

In topic we have been learning about family trees. We looked at the family trees of British monarchs as examples and we then created our own family trees.

Specialists
Music

We have finished all the sections of our Olympic song, now we just have to keep practicing it to make sure it sounds as good as can be! We revised our favourite songs and rhythms from throughout the year and tried to combine different skills that we have learned through a variety of different activities. We have looked at a variety of different instruments, some for the first time. We have been guided on how to play them and then spent time in learning how to use them in small groups.

Arabic

We revised using the pronouns I, you, he, she, they and we practiced using them in sentences.

Islamic Native

والأسبوع القادم درس (خيركم من تعلم القرآن وعلمه).

Islamic Non-native

We practiced Qu'ran recitation

PE

This week in Grade1 the children have worked on developing their jumping and hopping skills through participating in relay races. These games have encouraged the children to use speed and understand team work. Great effort Grade1!

Star of the Week

Tiger Sharks star of the week is going to the whole class for impressing the inspectors with their fantastic behaviour in the inspection and for putting on an excellent performance during our KS1 production.

The Star of the week in Lionfish is also going to the whole of Lionfish class. Miss Alison has been so impressed with your super story writing this week. You were also excellent in last week's KS1 production.

The week ahead

Next week in we will be getting underway with our new topic Fairytales. In English we will be learning about the features of playscripts. and we will be writing our own playscript based on the fairytale Hansel and Gretel. We will also be revising a range of useful punctuation.

In Maths, we will keep revising our basic skills in maths. We will focus on rapid recall of number facts and doubles and halves of numbers.

In our topic work we will be learning about and comparing the reigns of British Monarchs: Queen Victoria and Queen Elizabeth.

We will continue to focus on our value of love and care and we will share our ideas of how we can display love and care to those that matter to us.

Reminders

Please be reminded that as the weather gets warmer your child must have their hat in school.

Have a lovely weekend.

Grade 1 ☺
