19 <sup>th</sup> June	Special Assembly	Starts at 8:30 (parents are welcome to attend)
30 <sup>th</sup> June	End of term 3	

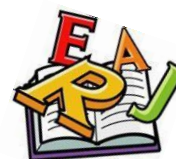

This week

We wish you all a happy Ramadan Mubarak, we hope this will be an enjoyable time for you and your families.

During this week we have been having fun playing mathematical and English games that have helped the children revise their phonics work. The children used the Numicon bricks to create patterns which helped their ordering of numbers. Furthermore we practiced their fine motor skills with cutting, sorting and creating patterns. They used the playdough to form their name and family name.

The Oxford Reading books are being sent home twice a week, and we are so happy to see the children practicing their reading at home. Well done! Everyday the children are enjoying the continuous provision within the FS area which includes the Roleplay, Out of this World and Fairytale Room. There are lots of fun challenges for children to explore. The children have been amazing at independently accessing the different activities including painting, writing letters, construction, role-play, vet and picnic area!

Specialists
Music

We sang our favourite songs and tried to combine different skills that we have learned. We looked at a variety of different instruments, some for the first time. We were guided on how to play them and then spent time in learning how to use them. It was so much fun!

Arabic

These week the student learnt how to write their name in Arabic. They learnt new letters (Miim) (ميم) eg. (Mawz)(Banana) (موز) and letter (Nuun)(نون) eg. (Nahla)(Bee)(نحلة)

## PE

This week in KG1 the children have taken part in a variety of agility and coordination games played in teams. This exercise helped the children to improve their gross motor skills and work as part of a team. The children have really enjoyed participating in these games and have shown excellent recall from previously learnt skills.

## Swimming

This week the children have continued working on their arm action for front crawl, trying to ensure their arms recover over the water. The majority of children are now able to swim at least a short distance by themselves and they have been asked to really try and keep their legs kicking at all times to ensure they remain streamlined.

## Star of the week

### **Jellyfish Class**

Well done to Santiago!

### **Walrus Class**

Well done to Harry!

### **Sawsharks Class**

Well done to Jaydan!

### **Penguins Class**

Well done Eric!

## Reminders

As a reminder a card from Stu Williamson Photography has been put into your children's book bags with your personal password so you can order the class photos.

Please join us at Amity International school for the Boutique Fair Swap Shop on the 15<sup>th</sup> June from 14.00 – 16.30 in the KG Library.

Please do not forget water bottles and hats. Also please return library books on the appropriate day.

Have a lovely weekend!

The KG1 team.
